<u>Size of Family Unit</u>	<u>Taxable Income</u>
1	\$18,210
2	\$24,690
3	\$31,170
4	\$37,650
5	\$44,130
6	\$50,610
7	\$57,090
8	\$63,570

Size of Family Unit (include self) = _____

Taxable Income = \$ _____

Taxable income, generally speaking, is the gross income of an individual or corporation, less any allowable tax deductions. Your taxable income is, in other words, the amount of your income that is subject to income tax.

All information on this form is true and complete to the best of my knowledge.
